**Artwork.** If you do not have artwork or an existing ad, our in-house degree-qualified Graphic Designer will create an eye-catching ad to promote your business.

*Unlike other magazines we offer this service at no extra charge!*

All prices are subject to VAT

**Advertorials.** To give your ad more impact and 'reader appeal' we offer a great deal on editorial copy, known as 'Advertorial'. This is in the form of advertorial placed above your ad. Book a half-page ad and your half-page advertorial will cost just £65 extra. Supply us with around 420 words (you may prefer to include a picture, with fewer words) and we will do the rest. It's a great way to promote your business.
